

About Us

Our Mission

The Catholic Family Adventure Club aims to bring Catholic homeschooling families together in community for mutual support and social connection, with the greater goal of enhancing His Church Militant and nurturing the future of the Church.

Who we are

The Catholic Family Adventure Club is a homeschool social community for Catholic homeschooling families and those considering the vocation of homeschooling in the Tyler area of East Texas. Our families represent a variety of parishes throughout the region, homeschooling backgrounds, rites and liturgies, but all share the desire to increase faith through community.

What we do

Liturgical events	Adoration	Teen and Tween Events
Mass & Park Play	Potlucks	Tiny Tot Events
Service Projects	Mom Support	Mom's Night Out
Field Trips	Book & Craft Fairs	

Where we meet

From Jacksonville north to Mineola, Van east to Longview, our families come together physically and spiritually in the shared goal of raising future saints!

We meet in a variety of locations all over the greater Tyler area, planned in advance by a skilled programming committee, with age-specific and family-focused events available multiple times a week.

What are the benefits of membership?

- A full year of quality programming for the whole family.
- Liturgical Events, Field Trips, Tween and Teen Events, Mom Socials, and more!
- Access to the secure member's only portal (calendar of events, community discussion groups, classified ads, and business promotions).
- Early and discounted access to community-wide events such as the Homeschool Blessing Mass, Used Book Sale, and Craft Fair.
- Access to the member's only Signal Group.

What do dues fund?

- Our website, which secures our detailed programming calendar, your information, and group photos
- Our leadership team gmail suite, which supports quality, legitimacy, and longevity
- Group Insurance
- Non-profit registration and associated costs
- Supplies and donations for our various events, to include crafts, food, decorations, and facility costs.
